

A GRADE DRAW 2008

Game 1 teams need to set up the goals/sideline, get all the gear out including the scoring table, and be on the water before their game starts. Game 3 teams put gear away. Duty teams and referee's need to be on time ready for the game/s they are taking care off.

Game 2 teams responsible for supplying referees and scorers, ball fetchers for both 1st and 3rd game you as a team sort this out I suggest half arrive for the first game and the other do the end game.

If your team is not there for duty and refereeing on time, 1 point will be deducted from your score tally.

This could cost you a place in the finals.

Games are 8 minute quarters (8-1-8-3-8-1 with 5 minutes between games).

If, due to holidays, teams cannot field a team there is an option to play matches on Friday nights. This is up to the team to organise beforehand including cover for their refereeing/duty on the missed night as well as on the Friday they are playing. The commodore must be notified.
