

## B GRADE 2008 DRAW

Teams playing game one are expected to set out the goals/sidelines get scoring table set up and have enough gear for their own personal paddling and be on the water before their game is due to start.

All other teams need to ensure there is enough paddling gear available for their game (do not assume all the paddling gear has been brought out). Last teams put gear away.

Games start and finish on time (13 mins halves, 3 min break, 5 mins between games).

**If your team is not there for duty and refereeing on time, 1 point will be deducted from your score tally. This could cost you a place in the finals.**

**Please note the 5 minutes gap between games.**

**For the evening to run on time, as soon as one game has finished, you need to get off the water and hand gear over to the next team.**

**B Grade Commodore is Duncan 21 896 567**
