

C GRADE DRAW 2008

Game 1 teams:

Need to be poolside at 1845 hrs starting to get the gear out. Everything is to be set up and you are to be on the water before the game is due to start.

Game 4 teams:

Put the gear away it is expected that no-one 'scarpas' till everything is done.

Duty teams:

Must be there on time - please factor in this for your night (especially those that are being picked up by parents) you are expected to play, then help or help, then play either way you are poolside for at least 1.25hrs.

Teams who are late or not present for duty will have 1 point deducted from their tally. This may cost you a place in the finals which would be a shame.
